

UF is proud to be a 100% tobacco-free campus

Starting July 1, the use of cigarettes or other tobacco products on the UF campus, including in parking lots and vehicles, is not permitted.

Need help quitting? Visit: tobaccofree.ufl.edu

The University of Florida Area Health Education Centers (AHEC) Program, GatorWell Health Promotion Services, the Student Health Care Center, the Employee Assistance Program, and Community Health and Family Medicine, with funding from FDOH, have partnered to provide free or discounted tobacco cessation medication and counseling to help UF students, faculty, staff, and their families, quit using all forms of tobacco.
