

[Report of Survey for Casualty Loss in myAssets]

Use this instruction guide to process a Report of Survey for Casualty Loss in myAssets. Only Property Custodians, Alternate Custodians, Contacts or Alternate Contacts for your department may use UF's new online property management system, **myAssets**, at **https://myassets.fa.ufl.edu**

Submit this request when property needs to be reported as a loss due to a casualty event, such as hurricane damage, flooding, etc. Use the Report of Survey link and select "Casualty Loss" from the dropdown for "Reasons for Disposition." You may also use the My Assets link, select multiple affected assets and click the Create Report of Survey link to get to the same page.

The system will route your request to Asset Management, who will process the request and update myUFL with the new information.

- ▶ Log on to **https://myassets.fa.ufl.edu** using your GatorLink username and password
- ▶ In the Dept Asset Administration menu, in the Manage Assets section, click the Create a Report of Survey link
 - ▶ Enter the Tag number of the item to be reported as a casualty loss
 - ▶ Click the Add link to bring up the item's information
 - You can add another item this way if you are reporting more than one item as a loss due to a casualty event
 - ▶ Click the dropdown in the Disposition column and select "Casualty Loss" as reason for disposition
 - The screen will change and provide an Explain field
 - Enter an explanation as to what event took place to cause this casualty loss, for example, loss from hurricane damage

Approvals are only processed online if items are not being transferred or were not lost, stolen or improperly disposed of.
Lost, stolen, improperly disposed of or transferred assets must be signed by the Property Custodian as well as a Department Chair, Dean, etc.
